

MY FUNDRAISING TARGET:

YOU DID IT!

Congratulations on reaching the target you set. Don't forget to get in touch with us to let us know what you did and how much you raised, so that your efforts can inspire others.

Thank you!

£200

With the Higher Education Support Programme, financial donations pay for fees, textbooks and hostel accommodation. To support a college student, the monthly cost ranges between £50.00 and £200.00.

£50

If you manage to raise £50 your money is enough to support the complete rehabilitation of two children at a shelter home.

£30

The monthly running cost of a School Retention Programme for children who need learning support.

£5

£5 will cover all costs for one child at a shelter home for a week.

Either enter the target values above in your PDF before printing or write them in afterwards. Then fill in the segments as you achieve them. Good luck!

EDUCATION FOR CHILDREN IS A RIGHT, NOT A PRIVILEGE

AWARE reaches out to children in deprived communities throughout India by using education as a way of transforming their lives for the better. It also provides street/runaway children and orphans with a protected childhood so that they can go on to make well-informed decisions in life.
